

COMMEMORATION

Two hundred years ago in the "Old Dominion" of Virginia, George Washington was born. In honor of that event our nation in this year of 1932 is observing special commemoration in which are reviewed the qualities, thoughts, hopes, ambitions and achievements of that magnificent personality. From his deeds the students and faculty of this high school, as do all good American citizens, experience a thrill of pride in our history, inspiration to better the tasks at our hand, and strengthen hope in the increasing glory of our United States. 1 1 1 1

F O R E W O R D

SAN FRANCISCO BAY region has been chosen by the staff of the 1932 ACORN as the motif around which to build this yearbook. The selection was due to its intimate relationship to the island and city of Alameda.

The staff has tried to summarize the events of the school year 1931-1932 in graphic history. If, in addition to present acceptance this volume is used for future reference to refresh pleasant memories of student life, the staff will feel greatly rewarded.

D E D I C A T I O N

TO WILLIAM G. PADEN, superintendent of schools in Alameda, this Annual is respectfully dedicated. In this manner the students and faculty of Alameda High School desire to recognize his seven and twenty years in educational service in Alameda, to acknowledge his fine abilities as an administrator and man of affairs; his accomplishments in the field of scholarship and letters,—all permeated as they are by a genial personality gifted with justice, sympathy and understanding.

DR. GEORGE C. THOMPSON
Principal

THE PRIMARY function of the faculty of Alameda High School, consisting of ninety-nine highly competent men and women, is to impart their knowledge and experience to future citizens. Aside from this, they are constantly working for the interests of the students, such as assisting them with their activities, advising their organizations, and promoting spirit and good fellowship among the two thousand students in Alameda High School. True friends and helpers, the Faculty.

THE MEETINGS of the fall term of 1931 were highly diversified in their endeavor. They ranged from the purely intellectual, i. e., the White Brothers' presentation on Chinese Art, to the purely physical, represented by an exotic little scrap by a Japanese Judo Team.

Several orchestras contortionized for us, but the one that remains in our mind was Jack Souder's Grand Lake Band. Thus, even the most unimaginative crud can at least, in a measure, visualize the gigantic scope of our Assembly programs—from the spectacular to the soul stirring; from the bizarre to the joyously super-animated.

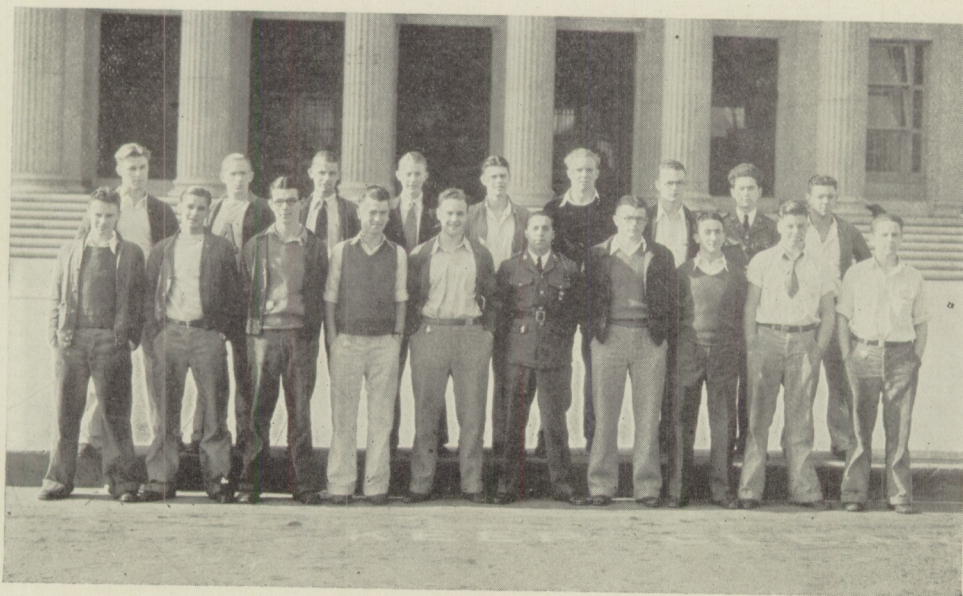

HORACE MILLER,
Recording Secretary.

THE INSTALLATION of the Spring, 1932, administration brought many varied student meetings, the majority of which had a leaning toward adventure.

"Bolos and Bullets", an exciting Philippine subject which had as its teller, Colonel White, who has appeared here on previous occasions. Other meetings of this nature included: Sir Hubert Wilkens' story of his polar submarine expedition, and Father Bernard Hubbard, the Glacier Priest, and his Alaska Volcano thriller.

The Julean Arnold Forum Debate, School Talent Day, and the political convention, were the other important meetings of the Spring term.

ON JUNE 2, 1932, we will cease to be students of Alameda High School, but the memories of pleasant days will never be forgotten.

The graduates will leave, some to attend institutions of higher learning, and others to start in business. But always they will look back and remember that their fundamental training was acquired at Alameda High School.

We were led in our Freshman year by Bob Castro and Eddie Eckhardt, and Walter Grazzini and Dale Peak took the reins in the second year.

Eddie Eckhardt and Irving Leheney took the wheel when we "graduated" to the coveted "upperclass" position.

In our Senior year Wendell Littleton and Bob Gardiner were chosen to run our school year. This they did well. Kenneth Richardson and Eric Roby managed the Senior Play and Seniorpheum, respectively.

ROBERTA MONKS, *Editor*.

THE TIME DRAWS NEAR for us to leave you. One short term remains for us to grace these "halls of learning." Surely no other class has made such record-breaking history as has the class of December, 1932.

As High Freshmen, we inaugurated a new idea with our 1-B party which turned out quite profitably. A skating party was given in our Sophomore year which again was a great success. The Prom which we gave in our High Junior year was known as the "Circus Prom." This Prom was unique and set a new high standard for the ones to follow. The idea of entertainment at a Prom was introduced by us, and met with success.

Our Senior play, "Nathan Hale," proved conclusively that the Class of December, 1932, is capable of success artistically, as well as financially.

Throughout our career we have various entertainments to our credit which certainly spell success to the class.

## Alameda Hymn

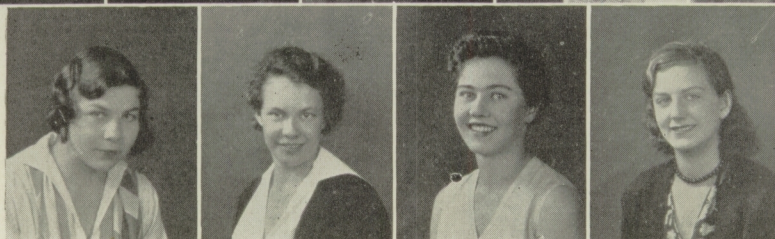

Men who wear the Gold and White,  
Men who hear the call to fight,  
Battle now for School and right.  
On to victory!

Myriad fields of conflict won  
Stand behind, and like the sun,  
Brighten future paths to run.  
On to victory!

Let this legend ever stand,  
While in conflicts, which command  
Strength and courage, sturdy band.  
On to victory!

Gold and White the standard raise,  
Let its motto brighter blaze  
Ever to the end of days.  
On to victory!

THE SUCCESS of our class, the Class of June '33, has been and will continue to be based on full co-operation of every member of the class.

Two dansants were given in the past year by our class. Both dansants were managed by Homer Helmstein. Large profits were received.

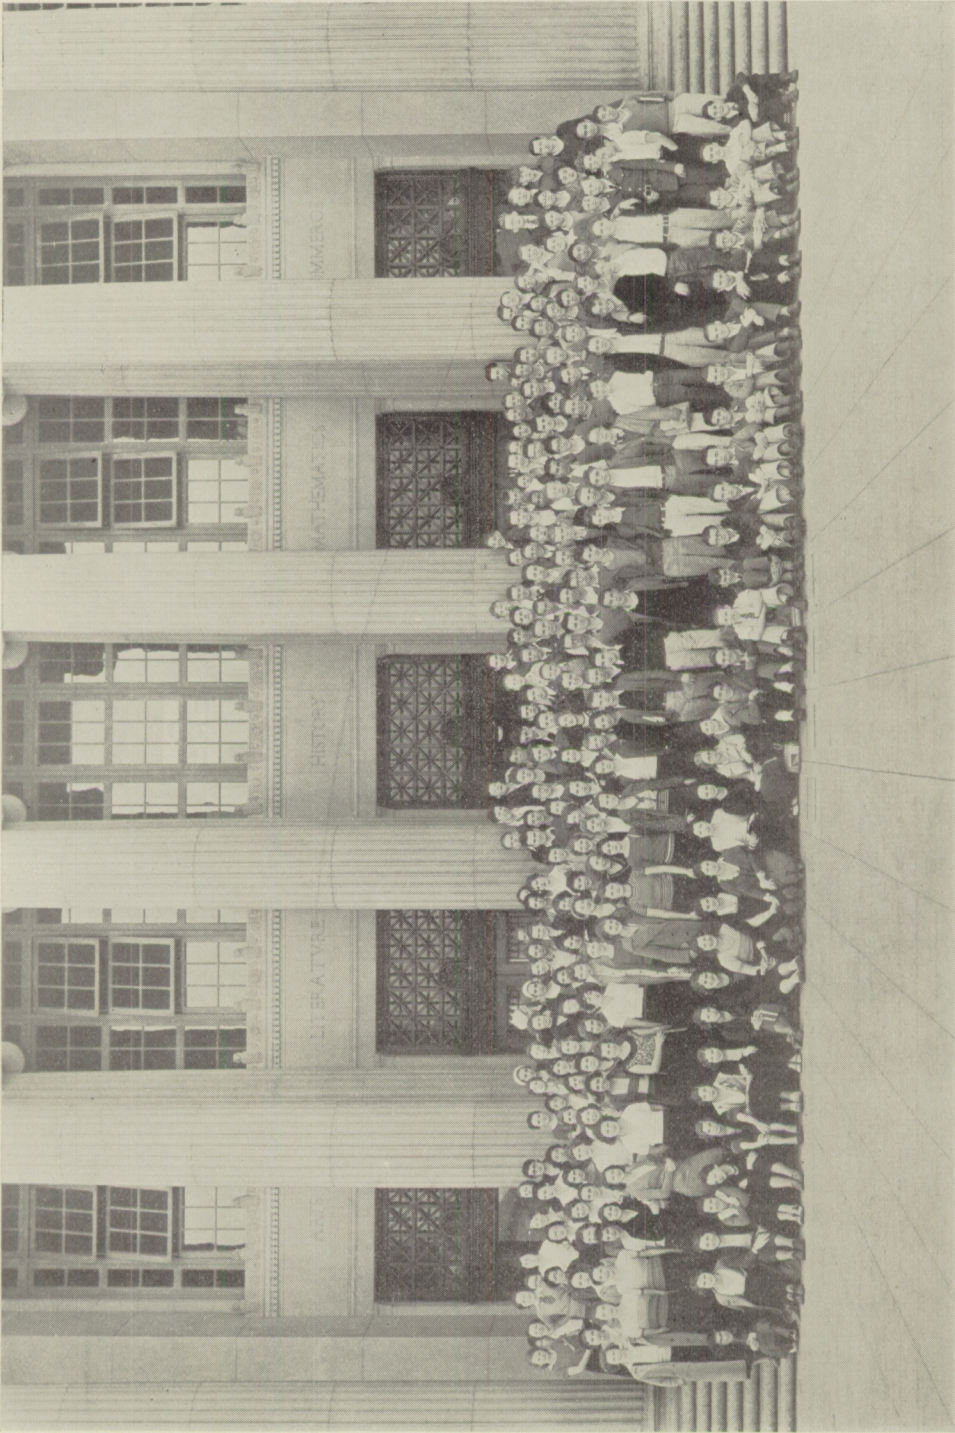

In athletics, our boys have been most outstanding. They have participated in football, basketball, swimming and track.

The most important event for all past and future Junior classes is the Junior Prom. Our class gave one of the most unique proms in the history of Alameda High School. This prom was under the able management of Lyle Guslander. We must also pay a word of thanks to Mr. Goldman and the High Junior advisers, who helped to make our prom a success.

In all, the Class of June '33 has proven itself worthy to take its stand next term as Low Seniors.

How SHORT the past two years have seemed! At last we are Juniors. No longer lower classmen, but still able to call Alameda High School our own for several terms to come.

We have been piloted through the first years of our high school career by very able leaders, and many of our class have taken an active part in athletics, clubs, and other activities.

Our most recent dansant was a novel and successful affair, and our coming Junior Prom, already being planned, promises to be unusual.

With so much to look back on and so much to look forward to, we have decided that the position of being Juniors is one that gives us pleasure, pride and profit.

THE CLASS OF JUNE, 1934, has so far been guided successfully through three terms by three of the ablest leaders. Dick Reilly led our class last term in a splendid way, with the help of his officers and the co-operation of the class. This term there is a decided change in the class, for a girl, Jean Thomas, was chosen to fill the office of president.

Last term we held a dansant under the able management of Carl Teideman. This dansant was a success and we netted quite a profit.

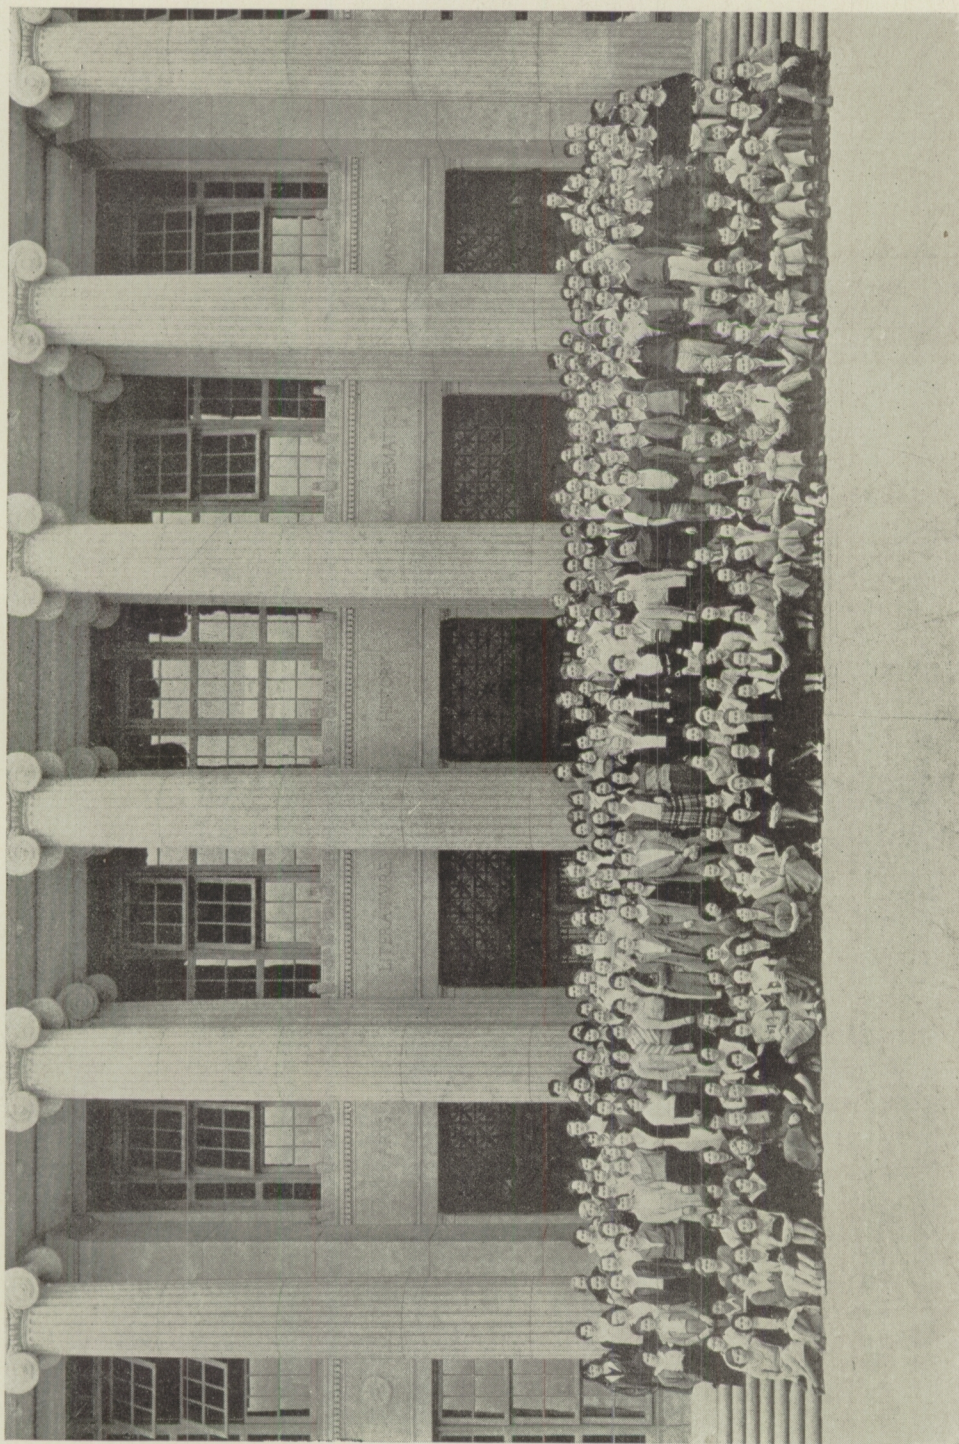

So far in sports our class has been outstanding. We are well represented in baseball and football, and for interclass activities we are always on top as far as turnouts are concerned.

Our class meetings have been both entertaining and business-like. We have had talented pupils who were so appreciated by the class that they were secured for other meetings.

And now that we are in "Sophdom," our next step is to look forward to our Junior year and we hope to surpass all of the past Junior classes.

HAVING finally attained their long sought position of Sophomores, the present class of "wise fools," as they are often termed, realize that they have reached another step in the ladder of life, providing the rung does not break.

During the past and present terms our class has shown an excellent spirit of willingness and co-operation. We have had a large membership in the numerous clubs, and some of our members have shown marked ability in the Seniorpheums and operettas.

As a result of two very successful dansants a substantial sum was added to our treasury.

Interesting and amusing class meetings have been held under the direction of our capable officers.

The class is especially noted for its honor students and during the remaining years we will strive with the greatest of determination to uphold the high standards of the school.

THE HIGH FRESHMAN CLASS has enjoyed two very successful terms in Alameda High School. During this time we have done things which any class would be proud to list among its accomplishments.

To start off, we won the trophy for the largest percentage of students holding student body cards. Then came the "Nathan Hale" contest which was won by two High Freshman students. This was followed by two successful dansants. Members of the class have turned out for athletics in a big way. The sports include football, basketball, baseball, golf, tennis, swimming, and track.

We have made a good start, but wait until you see how we finish!

THIS YEAR the Block "A" Society had one of the biggest years since it was started. Last Thanksgiving they fed more families than ever before. Fifty-four families were taken care of at that time by the boys of the high school.

With the passing of the new constitution, football players received Block "A's." This year fifteen men received that award. Six blocks were awarded to the basketball team.

On Circus Day the society had one of the best initiations in history. Stunts, which were enjoyed by all, were put on by the new members.

The Block "A" Society, which this term made history, is planning bigger and better times for the future.

THE STAR AND KEY SOCIETY has had a social, as well as a financial success during this past year.

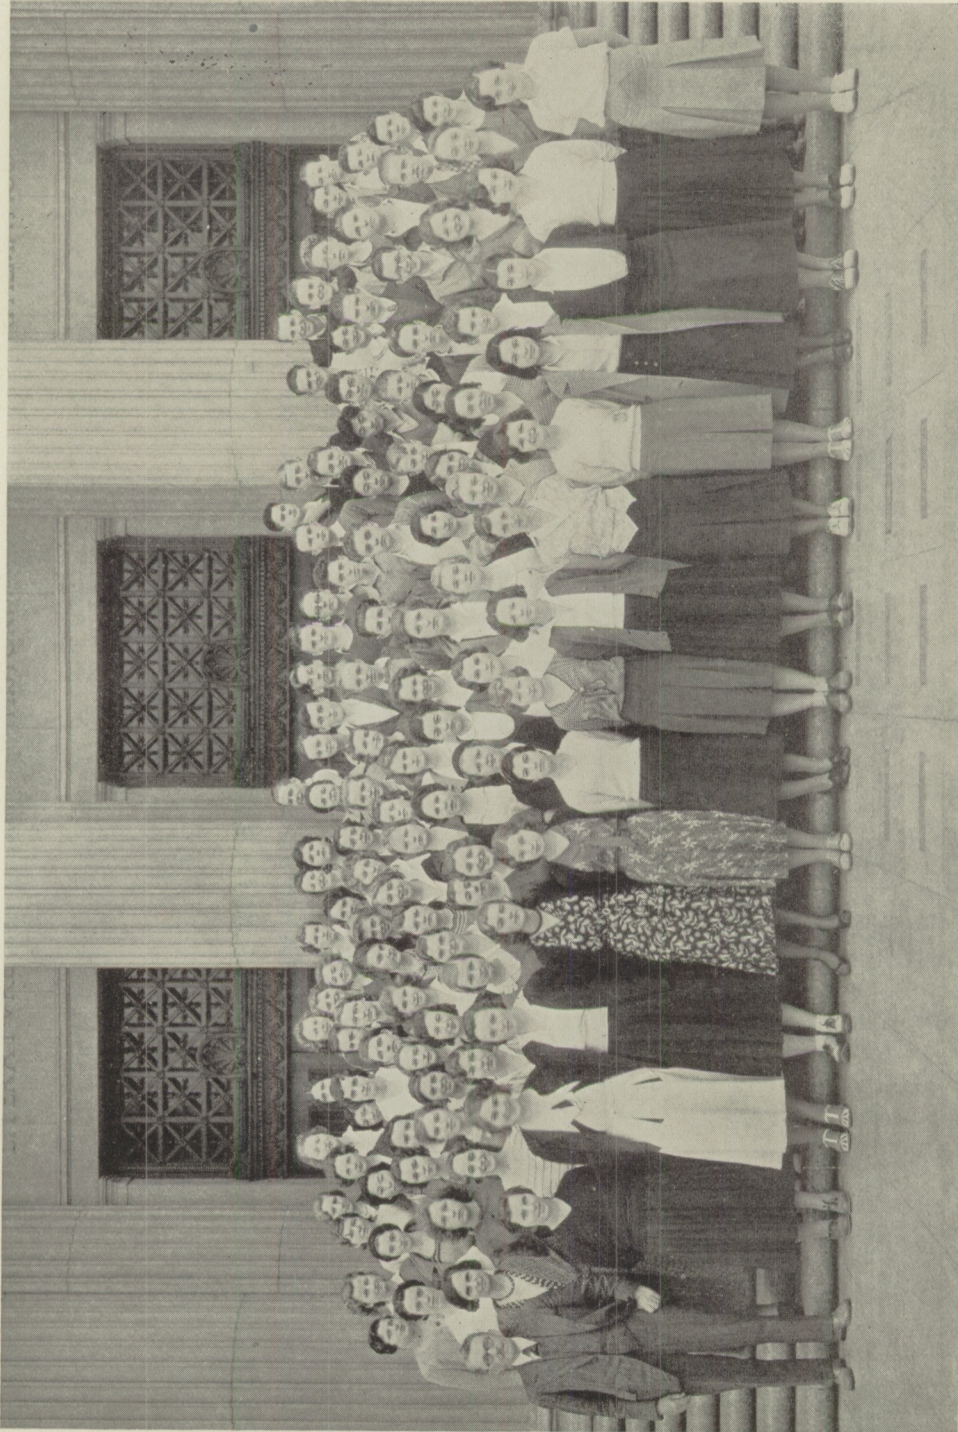

Due to our extensive selling of book covers, which not only provided the students with very satisfactory covers, but gave the society a reasonable amount of income, it was not necessary to charge dues.

Our main social event of the season was the Star and Key Shenanigan. Guests as well as members enjoyed the games, dancing and refreshments.

Finishing the school year with success urges us to a still better organization to represent the honor student of Alameda High School when the fall term starts next August.

THE PAST YEAR has been a successful one for the Circulus Latinus. The Circulus is probably one of the oldest and largest clubs in school. We can boast that we are the only club to serve refreshments at every meeting. A skating party and a hike were the principal social activities of the club this year.

Any student of Latin is welcome to come to these meetings. Our own paper, the *Tempora* is another feature of our enterprising club.

Now, although we have told you only a small part of the club's activities, do you not think we are an organization of which Caesar, Cicero, and several other Roman gentlemen, who help to make us miserable, might be proud?

THE SPANISH CLUB has completed a successful year under the leadership of its first and second term presidents, Frank De Luchi and Jack Desch. These officers have held to the custom of having each meeting of a distinctive type.

An especially interesting meeting was one at which the program consisted entirely of Spanish music. Several well known selections, including the ever popular "La Paloma," were played by Richard Downer. Margaret Thomas and Louise McClure, accompanied at the piano by June Maze, sang "El Capitan" and "Rosita." The club members sang one of their favorite songs, "Carmela."

At other meetings Spanish games have been played, much to the enjoyment of those present. The club is looking forward to the coming term, when it plans to continue its activities to a much greater extent.

THE FRENCH CLUB has come to be one of the most outstanding clubs in Alameda High School. Our membership is large and is growing all the time. Usually there are about fifty boys and girls at the meetings. We always have entertainment, refreshments, and a club paper, *L'Echo*. During the last term, we have had about two hundred foreign correspondents. Thirty members of the club subscribe to French newspapers. The entertainment at club meetings has consisted of motion pictures of France, lectures, singing and dancing. Sometimes we play interesting games. And so if *vous parlez francais*, you are cordially invited to attend our meetings.

UNDER the leadership of Vincent Harriman and Travis Winsor, the German Club has passed a very successful year. Our entertainment has variety and is of an enjoyable nature. Two speakers on Germany were heard. Herr Gustav A. Gedat spoke on German schools and Miss Eggert spoke of her travels in that country. We also gave a skating party and a modern German play, both of which provided a great deal of fun.

AT THE BEGINNING of this term, the Sword and Shield Society was reorganized under the leadership of Sidney Jenkins who, however, refused to hold an office in the club. At the second meeting of this term, President Bruzzzone appointed Elden Rice, Sidney Jenkins and J. Evan Skelly, a committee of three, to revise and rewrite the constitution of the society. At the present time this constitution is looked upon by many to be the most modern and legally correct constitution in the school.

This society is for the commissioned officers of the R. O. T. C. unit and has Major Brown for its adviser. Throughout this term the Sword and Shield has given several parties all of which were huge successes. Our motto is "One for all and all for one."

LAST SEMESTER, the Non-Com's Club appeared defunct; all interest lost and the club's financial standing at a low ebb. Several of the non-commissioned officers of the unit assembled and decided that the club was worth saving. A meeting was held and a tentative reorganization was proposed and adopted. A constitution was drafted, voted upon, approved, and finally adopted. Chief among the changes, was a change in the names of the officers, to-wit: President to Sergeant Major, Secretary-Treasurer to Chief Clerk, and Sergeant-at-Arms to Provost Sergeant.

The adviser of the club is Sergeant Boyer, R. O. T. C. instructor. His attendance is most helpful. The reorganized Non-Com's Club is a success and ought to become a factor in the life of the R. O. T. C. unit.

THE ROUND TABLE CLUB of the Alameda High School was formed at the close of the last fall term. Its purpose is merely to bring the members of the R. O. T. C. closer together and to promote friendship among the officers, the non-com's, and the privates of the unit. Any member of the R. O. T. C. unit is eligible for membership.

During this fall semester, the members have enjoyed many interesting meetings. One meeting featured motion pictures, showing the course of instruction at West Point. At another meeting held in the cafeteria, the main attraction was a boxing match, which was participated in by several members of the unit. The meeting was concluded with entertainment and refreshments. A skating party was also held at Rollerland.

IN THE LAST *Oakland Tribune* Airplane Contest, the Aviation Club made a very good showing. Two first places, one second place, and one third place were taken by members of the club. This year we hope to bring more honors to Alameda High School through the Aviation Club. During the last year we have had two successful dansants which have put our finances above the board. This alone should be an inducement for new members whom we are always glad to receive. All students in the high school are invited to join the club. Mr. T. D. Hall is its adviser.

THE STUDENT PLAYERS' GUILD, an organization for the advancement of drama in Alameda High School, has had a none too active semester.

Mr. C. T. LeHew, adviser of the organization, had planned several plays during the past year, but for some reason, they were not presented.

When school vacation begins next fall the officers are planning to make the guild what it was several years ago and attempt to find suitable talent so that the student body may realize the importance of the American stage and have a better understanding of drama in general.

DURING the Christmas recess our club sent nine delegates to the Junior International Institute in Berkeley. The members have had interesting discussions with Dr. Thompson and a round table discussion concerning the institute. This discussion was held for all students who wished to attend.

The club has had two very interesting talks by the faculty in the last year. One was on Spain by Miss Isabel Venard and the other was on Pompeii, the buried city, by Miss Campbell. We have also had much foreign correspondence, and at a future date, all the members who have received letters are going to read them for the other members of the club.

THE DEBATING SOCIETY in the past year has participated in very few activities which demand a great deal of attention, but instead it has been undergoing a complete reformation by a few interested students. There has been a complete change of the constitution and of the policies of the society.

Next year an active program is being planned, including interclass and interschool debates, an initiation party, and several other interesting events. Any student who is at all interested in debating or wishes to gain experience for the Forum will profit greatly by joining the Debating Society.

ALTHOUGH it was only started last term, the Uneeda-Eta Club has forged ahead, both in membership and the scope of its usefulness. Last term Lewis Hobe drew up a fine constitution. We also had a Hallowe'en spread for the students. We then gave a Cafeteria anniversary party March 4. The club, with its fifty-four members, plan bigger and better surprises for the coming year, so just watch our smoke from now on.

We wish to thank Miss Conley for all she has done to make this club possible, and for its success. We sincerely appreciate her enthusiasm and help.

THE GIRL RESERVES CLUB, which is the junior organization of the Y. W. C. A., has had another active year. In the fall term we held another sale of footballs from which the treasury was replenished. We decided to use some of the money and add personal donations to help a family recommended by the health center. Persons who would enjoy helping in this project were asked to participate with us. In response to this notice the R. O. T. C. gave a most generous donation of food and clothing. Individual students also helped with this and we were able to care for two families instead of one as was first planned.

In the spring we held a most enjoyable Valentine party at the home of Gertrude Landstra. The last meeting was an installation of new officers which was followed by a party.

TO FURTHER art interests in the Alameda High School, a club was organized this term under the supervision of the art department and was appropriately called Les Beaux Arts. Under Zelda Long's leadership, honor elections were originated to which the more gifted members were invited to join. These sections are to contribute to a bazaar to be held next Christmas. An excursion to the De Young Museum in San Francisco was enjoyed by all while many successful meetings, both social and business, are attracting an ever-increasing membership.

THE GIRLS' ASSOCIATION of Alameda High School passed an eventful term during the fall of 1931 under Doris Halvorsen. The honor of introducing noon dansants fell on this administration and also donating to charity on Thanksgiving.

The Girls' Association of the spring term survived the "depression" without even noticing the wolf that seemed to be at the door of so many of our neighbors. Our dansant brought us a surprising amount and at the same time we contributed to the aid of the unemployed. Some novel ideas were originated at our meetings—at one, in having a special meeting to welcome the Freshmen, while at another the men students of the school had the honorable distinction of being our guests to listen to the crooning of the popular Fox singer, Joaquin Garay.

Pins were given the new administration and corsages the old, in appreciation of their leadership.

THE G. A. A.'s first big event of the fall term of '31 was the annual jinx. This Hallowe'en costume party was under the managership of Marion Gilman who arranged that prizes should be offered for the prettiest, the funniest and the most original costumes. The affair was voted a huge success.

The next item of importance was a High School Sports Day which was held at Castlemont High and in which more than one hundred and fifty girls participated. This present term a similar play-day was held at San Leandro, and it met with as much success as did the preceding one. In the spring term the University of California entertained the girls from the various high schools of the bay region, and our girls had the opportunity of having a swim in California's famous Hearst Pool.

ANOTHER YEAR has ended and as usual another ACORN is presented to the students. As far back as 1899, the student body of Alameda High School has regarded the ACORN as part of the school, and undoubtedly whenever the alumni wish to remember faces they get out their old ACORNS. It is impossible to tell at this time if this volume will serve that same purpose, but here are the names of the associates, both editorial and business, who contributed much of their time in the forming of the 1932 ACORN:

THE PIEDMONT GAME

ALBEE STADIUM, EUREKA

FOOTBALL last season was not quite what it should have been. The team just was not getting the breaks, so to speak, except in one game. That was with Mission, in which the Hornets took the San Francisco boys with a 6-0 score. Lack of experience was possibly the main obstacle that the coaches had to contend with, but the team as a whole showed a wonderful spirit and fight was not lacking at any time.

### LEAGUE GAMES

#### ALAMEDA 19—PIEDMONT 26

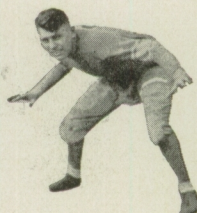

This was the opening A.C.A.L. game and Alameda fought valiantly, but not quite hard enough to cope with Dick Moyer, the Highlander's triple-threat man. As an all-around team Alameda was outstanding in

this game. The stars were Captain Hornung, who pulled down two touchdowns; Schmalenberger, who was responsible for many of the passes which netted the touchdowns; Blum, Herbert, Helmstein and Harris also contributed greatly to one of the best games of the season.

#### ALAMEDA 0—BERKELEY 13

For the eleventh time Alameda met Berkeley on the gridiron, only to meet defeat at the hands of a slightly more experienced team. All the men on the team fought their hardest under the leadership of the captain, Jack Hornung. Hornung played fine offensive and defensive football at all times throughout the game.

Herman Pete, Tom McLaverty, "Red" Schmalenberger, and Bob Colburn creditably handled the backfield, while Jack Westfall, Del Harris and Bill Tulloh took care of the defense. Bill Herbert, Bob Dahllof, Homer Helmstein, Vernon Lowry, Bud Blum, Jack Skinner, Sid Truesdell, and Jerry Fraser also fought a hard game. The whole team deserves a great amount of credit for their gameness and spirit. The coaches, Chris Freeman and Carl Young also deserve credit for trying to build a winning team out of fellows who had very little former experience.

"SIGNALS"

THE OAKLAND GAME

One of the practice games which deserve mention was the Eureka game. For this game the team journeyed some three hundred miles to Eureka to tangle for the second time with the northern school. The sensational part of this game was a ninety-five yard run in the first quarter. The fast work on the part of Hornung almost chalked a second touchdown, but Kencard of Eureka was able to stop the Alameda player. Other players deserving mention were Herbert, McLaverty, Condare, and Helmstein.

Another game was the only one that Alameda won during the season. This was against Mission High School of San Francisco, and was played at Neptune Beach. In this game the whole team clicked and Hornung again showed the boys what could be done with a football when he tore through the Mission line, outrunning three of the San Francisco men for fifty-five yards for a touchdown.

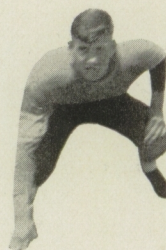

When Vallejo journeyed to Alameda to play the Hornets, some misunderstanding arose, and the entire Vallejo team walked off the field, but after smoothing matters over, they returned, only to put over their second touchdown to take Alameda by a 12-0 score. Both the Alameda line and backfield played a good game.

THE CLASS "B" TEAM, or the 130's, completed their season with four victories and three defeats, with practically each game an improvement over the preceding one. For the first time the team was coached by a member of the faculty. Coach Lewis Jolley took the time to develop quite a scrappy little team this year. In former years the coaching was handled by a post-graduate who was ineligible to play on the varsity. Class "B" stars included: Joe Beach, Bob Stubbs, Frank and Morris Hunter, Eddie Eckhardt, George Gundlach and Rolland Dickey.

Jolley appointed a captain for each game, except in the Berkeley game. The team in this game elected Frank Hunter to lead them.

In most cases the 130's tangled with second-string teams of the other schools, so the fellows deserve a lot of credit.

## LEAGUE GAMES

ALAMEDA 22—RICHMOND 32

This was the first game of the season. Play was slow at first, and did not quicken enough to overcome the lead. Schmalenberger starred.

ALAMEDA 16—PIEDMONT 28

Alameda played hard, but the Piedmont boys were a little too much for the Hornets. Herman Pete and Bill Reid played an excellent game.

ALAMEDA 22—BERKELEY 27

This game was one of the best in the season as the whole team was playing on about a par. Bill Brock was high-point man.

ALAMEDA 23—RICHMOND 26

One of the hardest fought games of the season, with Richmond able to nose out a victory in the last few seconds of play.

ALAMEDA 26—PIEDMONT 30

The second game with Piedmont. At the half Alameda was far behind when Bill Kint went into the game. The team rallied, and came close to a victory, being again nosed out in the last few minutes of play.

ALAMEDA 28—BERKELEY 39

Although this was the closing game in the A. C. A. L., and Alameda had not a chance in the world to place in the league, the fellows battled hard and showed the spectators that fight was there at all times. Even though with poor scores of previous games, this did not dishearten them in the least.

Six men received Block "A's" this season. They were: Capt. Fred Schmalenberger, Bill Kint, Bill Brock, Herman Pete, Bill Reid, and Franklin Schurr, who earned his as an efficient manager.

Coach Carl Young worked long and hard with the team, but things just did not seem to break as they should have done. Even though the team lost many games, they did not lose heart and fought to the very last of every game with a great deal of enthusiasm.

Winning the A. C. A. L. Class "B" championship in the last few minutes of play in the Berkeley game, was the work of Alameda 130's headed by Captain Shigeshi Madakoro, otherwise known as "Shug."

Bob Gardiner was high point man of the season with well over one hundred points to his credit. Other men who truly represented the school were Dave Warwick, Norman Johnson, Camisa, Bill Clune, Dick Brace, and Leland Barbour. Bob Stubbs was manager.

Ordinarily the varsity games are the games that attract and bring in the crowds, but more interest was focused on the Class "B" season this year. They offered real basketball and were fast.

Coach Lewis Jolley coached them to A. C. A. L. victory. The team was by no means a one-man outfit, but every man played his part and played it well. Many of these fellows will possibly go into varsity next season, so chances for next year's varsity at this time look quite promising.

THE ALAMEDA HORNETS responded to the call of Coach Otto Rittler for a baseball team this year, and managed to turn out a fairly good team. Following are the scores of the practice games:

### LEAGUE GAMES

ALAMEDA 6—RICHMOND 5

In the first league game of the season, with Richmond, Amaral and Hooper shared the honors on the mound for the Hornets. These two allowed the Oilers only 8 hits. Six errors almost cost Alameda the game, but Sandahl saved the day by a run in the last inning.

#### ALAMEDA 7—BERKELEY 8

Another close game. Helmstein occupying the box, but not quite able to hold the Yellowjackets. Alameda almost staged a comeback by getting four runs in the last two innings, but could not quite make the grade.

#### ALAMEDA 3—RICHMOND 4

A run in the last inning spelled victory for Richmond. Helmstein allowed the opponents only four hits, while Alameda reached first seven times.

#### ALAMEDA 2—BERKELEY 3

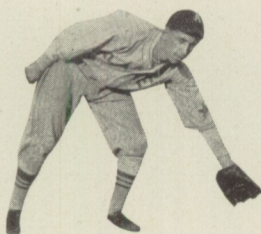

Another one-run victory game for the opposition. Hooper pitched a six-hit game, but the last run in the last inning was the deciding score. Alameda had seven hits and three errors to Berkeley's six hits and two errors.

The regulars on this year's baseball team who are to receive Block "A's" are: Joe Church, Tom Parodi, Kiyomisu Nogami, Fred Filipelli, Elmer Sandahl, Edward McMullen, Ralph Warwick, Douglas Hooper, Beverley Randall, and Homer Helmstein.

Dr. Paul Vigness, history teacher, took over the Class "B" team this year and developed quite a team, so material for next year's varsity turn-out looks promising at this stage of the game.

### THE A. C. A. L. MEET

In an exciting and spectacular meet held at the old California oval, Alameda's track team came through to win the A. C. A. L. The final scores were: Alameda, 65¼; Piedmont, 41½; Berkeley, 33¼; Richmond, 14.

Brace won the 880, but had to run a hard race. Hornung took a first place in the 100 finals, and took a second in the 220, being just nosed out of a first by Helmer of Piedmont. Rice won the mile in 4 minutes, 37½ seconds. Les and Curtis Marcum tied for first in the pole vault, and then Les set a new record of 12 feet for the A. C. A. L.

Haller, a new man in track circles, tied for first in the high jump with Raymond of Berkeley at 5 feet, nine inches. Jack Westfall took first place in the discus and a third place in the shot. Iwahashi won the broad jump with a jump of 20 feet, nine and one-half inches. Barton took a second in this event. Tulloh took a second in the javelin with Cross of Berkeley taking a first.

As the ACORN goes to press one meet yet remains. That is the State meet in Modesto on May 21.

Kenneth Richardson was track manager this year. It was his duty to arrange meets and see that the business end functioned properly.

Last minute flash: As the ACORN was running on the press, the track team won the North Coast meet with 26½ points.

Alameda did not fare so well in Class "B" track. Piedmont took the meet with  $60\frac{1}{2}$  points, taking almost every point. Berkeley was second with  $40\frac{1}{2}$  points, and Alameda brought up the rear with 17 points.

Dick Brace turned Class "B" for the day, and although he set a slow pace in the 880-yard run, he still went fast enough to set a new Class "B" record. Iwahashi took the broad jump without much trouble. His jump of 20 feet, three inches, marked five points for Alameda. Sundby's second place in the quarter-mile helped out the score, as did a few scattered third and fourth places. Promising material is seen in future years in Class "B" track with many freshmen entering school.

Frank Ucovich was manager. Ucovich, although a fast man himself, was forced to stay out of competition through an illness.

As THIS book goes to press the A. C. A. L. meet remains to be swum, so one cannot judge the swimming team fairly. Although the above scores do not look too encouraging, Alameda this year had some fine swimmers. Many of these fellows took consistent first places. They were: Ralph Gilman, who usually swam the distances; Russ Agnew, medley man; Hodgkins, dives; Lyle Guslander, Sam Hall, Bob Stubbs, Bill Sherrard, Walt Grazzini, and Roy Siem, also took many firsts. If it was not a first, one could always count on a second.

Chris Freeman was coach and Bud Blum did a fine job as manager.

THIS TERM will mark the fourth season of golf in Alameda High School. Since the beginning it has changed from a minor sport until now it is regarded as a major sport.

Over forty fellows turned out for golf, with varsity and Class "B". The fellows who constitute the first team are as follows: Al Foerster, Capt. Fred Blanchard, Bill McCall, John Durney, Al Lukes, Ed Minium, Bill Hunter, Golson Young, Nick Shevanko, and Bob Norton. Substitutes are: Dale Peak, Bob Andrus, Kendall Brown, and Garet Keane.

The golf team was coached by Coach Willis Minium and was managed by John Durney.

THIS YEAR the tennis team was co-coached by Clovey La Croix and Lewis Jolley. The practice games were fairly successful, but the team did not fare so well in the A. C. A. L. This was possibly due to lack of experience.

The members that composed Alameda's A.C.A.L. team consisted of the following men: Bill Hill, George Tanaka, Bill Spees, Curt Haxthausen, and Stanley Noyes. The final score of the A. C. A. L. was: Richmond, 5; Berkeley, 2; Alameda, 0; Piedmont, 0.

With more boys signifying their intention of turning out, the chances for a better team next year are better.

# GIRLS' ATHLETICS

## Basketball

THE BASKETBALL season of Fall, 1931, was exciting to say the least. With Miss Danielson as coach and Catherine Ratto as manager, there was an unusually large turnout, the result of which was, of course, keen competition. For the third consecutive time the present 4A class won the championship, and it was a victory that was well earned. The members of the winning team were: Dorothy Fleming, Jeanette Fitzsimmons, Mary Shurtleff, Lorraine Spencer, Frances Glover, Grace Kneedler, Thelma Imbrulia, Daisy Hing, and Dorothy Dean.

## Tennis

IN BOTH the Fall and Spring terms tennis was managed by Alberta Machen and was coached by Miss Eggert. In the Fall term the round robin system was used, while in the present term a ladder system was devised. It is believed that the ladder form will be more successful than any of the previous systems, as it gives the girls the opportunity to challenge anyone they wish. The six highest winners for the Fall term were: Louise Shanahan, Gladys Ross, Alberta Machen, Frances Glover, Katherine Currie, and Ruth Borsuk.

## Hockey

OF ALL THE sports in Alameda High, hockey is usually considered to be the most dangerous of them all. After many a fierce battle, the 3AB team proved themselves to be the victors. The management of this popular sport was under the direction of Bertis Talbot, and Miss Eggert acted as coach. The victors were: Vera DeBernardi, Mary Rainey, Thelma Imbrulia, Ellen Allstead, Grace Kneedler, Marjorie Zimmerman, Lorraine Spencer, Olive Lunderman, Evelyn Dodge, Daisy Hing, Frances Glover, Virginia Brown, and Dorothy Sutherland.

## Speedball

THE G. A. A. sports' season for Spring, 1932, was opened by a most interesting season of speedball. For the first time in the history of G. A. A. sports the freshmen had a really good team. However, the 4AB's proved to be too much for them. Speedball was ably managed by Dorothy Thompson and was coached by Miss Eggert. The winners were: Pearl Lee, Charlotte Christenson, Muriel Sharpsteen, Anita Vallerga, Eloise Shubert, Lorraine Spencer, Mary Shurtleff, Betty Crawford, Frances Glover, Kathryn Lewis, Bernice Frick, and Glory Wyckoff.

## Golf

GOLF HAS WON over many admirers as shown by the exceptionally large turnout. Mr. Earl Fry has been the instructor for the girls, and his teachings have proved to be very successful, as shown by the scores. For the Spring term Frances Glover acted as manager. The girls who earned their points in this particular sport are: Dorothy Cooper, Frances Thompson, Wilhelmena Webster, Frances Glover, Georgina Winn, Winifred Dole, Jane Thomas, Jane Borton, Alexa Coney, Virginia Stahl, Gladys Klapp, Marjory Welch, and Betty McClintock.

## Swimming

THE SWIMMING turnout for Fall, 1931, was small because of the conflicts with other sports. Janet Ferren was manager and Miss Elliott was coach, and both have held their positions through the Spring term. In the Spring term there was a larger turnout, and a swimming meet was held later in the term. It is still a deep secret as to who will emerge victors of the forthcoming meet, but it has been rumored that the Seniors have a strong team. More power to you, Seniors!

## Baseball

AS IN THE case of swimming and crew, this ACORN will go to press before the victors of baseball will be named. This year baseball is under the student direction of Glory Wyckoff, and it is being coached by Miss Stockwell. At the present time the 3A's, 4AB's and 2B's are all tied for first place. The winners, whoever they may be, will receive their numerals and one hundred points. The tie will probably be played off by the last of May. Congratulations to the victors of the baseball diamond.

## Crew

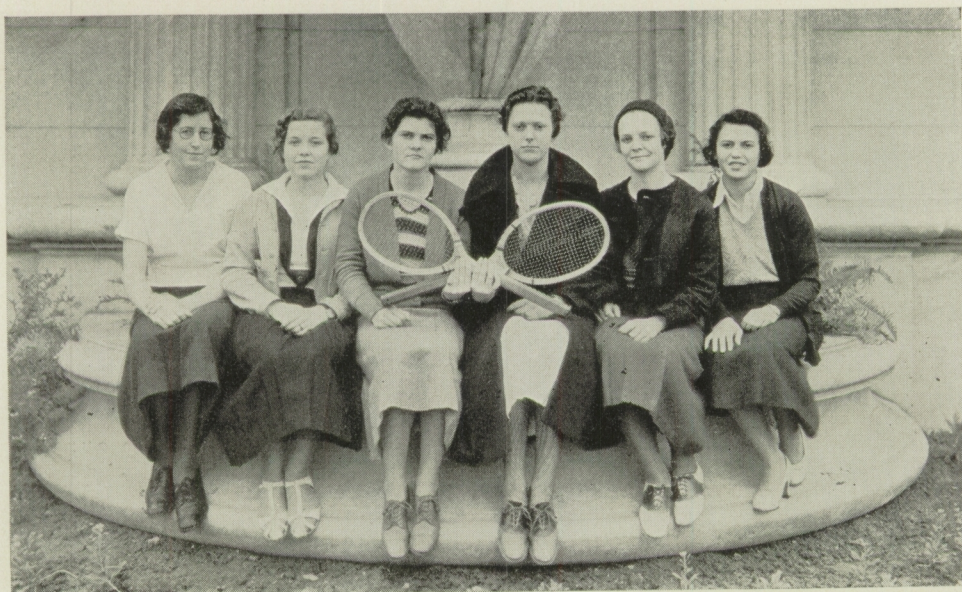

THE TURNOUT for crew in the Spring term, 1932, has been exceedingly large. On some days there have been as many as eighty girls at the boat house on Lake Merritt. Miss Danielson is a very efficient coach, and it would be hard to get along without her. Betty Crawford is the student manager for the present term. At this moment the victory of the crew regatta is a toss-up between the 3B's and the combined 4AB's. After the race a weinie roast was held for the winners. At this picnic the crew manager for next year was elected.

*ROTC Man*: "Lawrence Strong."

*Major again*: "Your age?"

*Strong*: "Twenty-one."

*Major*: "Your rank?"

*Strong*: "I know it."

\*\*\*

*Homer Helmstein* (entering cafeteria): "Under what name is soup being served today?"

\*\*\*

*Coach Rittler*: "How long did it take your wife to learn to drive, Chris?"

*Coach Freeman*: "It will be five years this next July."

\*\*\*

*Terry Hackett*: "I want a camel's hair brush."

*Lyle Guslander*: "Since when did camels begin using hair brushes?"

\*\*\*

*Bob Grafe*: "Say, did you hear about that fellow who swallowed some fertilizer?"

*Ed. Eckhardt*: "Yeah, he's complaining about growing pains."

*Ed Ursin*: "No, I play the saxophone."

\*\*\*

*Anthony Rizzo*: "Officer, someone stole my car."

*Officer*: "Those antique collectors will stop at nothing."

\*\*\*

*Russ Agnew*: "Pardon me, but your stockings are wrinkled."

*Madelyn Rodgers*: "You brute, I have no stockings on."

\*\*\*

Parting advice: "Put a little water on the comb."

\*\*\*

*Photographer* (to Winsor): "Please look pleasant for a while, then you can assume your natural expression."

\*\*\*

*Les Marcum* (to butcher): "Did I say four pounds of salami, I meant only two. Golly, I must be losing my mind."

*Butcher*: "We sell brains."

\*\*\*

*Bill Kint* (entering Prom): "Shall we join the ladies?"

*Bob Gardiner*: "Say, what do you think I am, a carpenter?"

\*\*\*

*Irate Professor*: "There's a student in this class who persists in making a jackass out of himself. When he has finished I shall begin."

*Frank Cummings*: "Now, tell me why one should put a hyphen in bird-cage."

*Joyce Dodge*: "Why, that's for the bird to stand on."

† † †  
*Father*: "Son, I never kissed a girl until I met your mother. Will you be able to say the same thing to your son?"

*Sam Hall*: "No, Dad, not with such a straight face."

† † †  
*Soph*: "Will you give ten cents to help the old ladies home?"

*Frosh*: "What, are they out again?"—*Log*.

† † †  
"Traveled all over the world, eh? Went to the Volga, I suppose?"

"Climbed it to the top."

"Don't bring that up in class," said the professor of the floating university.—*Wampus*.

*Harold Brooks*: "'Who was driving when you collided with that car?'"

*Jack Skinner*: "None of us; we were all in the back seat."

† † †  
"Do you believe in the survival of the fittest?"

"I don't believe in the survival of anybody, I'm an undertaker."

† † †  
*Candidate for the Poison Ivy Club*: The fellow who signs your ACORN in four-inch letters across the inside cover.

† † †  
"And what did the dean of the University of Tokyo tell you?"

"He told me to make myself useful as well as Oriental."

† † †  
*Bob Vermillion*: "Pop, what is a highway?"

*Pop*: "It's the space between the billboards."

† † †  
"What was that explosion on Si's farm?"

"He gave a chick some of the 'Lay or Bust' chicken feed, and it turned out to be a rooster."

† † †  
*Italian Hot Dog Slinger*: "Hey, I gotta da winner."

*Race Fan*: "What's his name?"

*I. H. D. S.*: "Hot winner wit da mustard on it."

† † †  
*He* (putting his hands over her eyes): "Guess who it is in three guesses or I'll kiss you."

*She*: "Al Jolson, Jack Dempsey, Paul Whiteman."

## Circus Day

ONE OF THE BEST Circus Days Alameda High School, or the entire city of Alameda, for that matter, has witnessed was the event which took place on May 20.

In the first place, Dr. Thompson, principal, gave orders that the periods should be shortened in the morning and that study periods would be eliminated entirely, the students going to the auditorium where they witnessed a movie instead. At noon school was dismissed and the students and faculty alike swarmed to the concessions which were operated by classes and organizations. Here they were able to buy anything from soda pop to peanuts.

Promptly at 1 o'clock, Major Jose Perez-Brown, instructor in Military Science and Tactics, gave the order for the bugle call which started the parade. The floats and cars assembled at Walnut and Alameda Avenues. The line of march was as follows: Down Walnut to Lincoln, Lincoln to Park Street, to Santa Clara, to Broadway where the parade went before the reviewing stand to be judged. The parade then continued on to Central, thence to Park Street again where it swung to the left to Alameda Avenue. The queen of the day was made officially the queen at the halt of the parade at Walnut and Alameda. During the parade different circus acts were taking place. Among these were clowns, bare-back riding, stunts, cowboy antics, and many other circus familiarities.

During the day the initiation of the new Block "A" Society members took place. This gave the students a good opportunity to see a lot of fun and suffering on the part of the victims who took it all with a grin. This initiation was the biggest in the history of athletics in the school. It was also the first time that golf was regarded as a major sport and players were eligible to receive the coveted award.

That evening a dance which featured homecoming for the alumni was held in the gym. Both of the gyms were opened and decorated so as to appear like a circus tent. Lyle Guslander was responsible for the success of this dance and he has had experience, of course, as was remembered by the most excellent Junior Prom which he handled. Miss Crever and Mr. Goldman assisted Guslander as faculty aids in the evening dance.

Jean Nason was elected by popular vote of the school to reign as Queen of the 1932 Circus Day.
